

Fly Earth Flight Simulator Community
Privacy and Information Sharing Policy

By agreeing to this policy, you:

- a. Understand that your Instant Messaging information will be available to other community members.
- b. Understand that your name and country will be available to other community members.
- c. Understand that, at any time, you may contact Fly Earth and request the removal of your last name or your instant messaging contact information from our member's website.
- d. Understand that Fly Earth will never sell, copy, or otherwise distribute any of your information without permission from you.
